How to Get a Saudi Arabia Visa From India:

The Ultimate Saudi Arabia Visa Application Guide

The Kingdom of Saudi Arabia is a hotspot of tourism for the majority of travelers in the world, including Indians. Surprisingly, Indians form the largest segment of the expatriate population in the country.

Home to luxurious beach resorts, ancient souks, and modern skyscrapers, the land uniquely exhibits its royalty.

So, if visiting Saudi Arabia has been on your mind all this while, then you can [get a Saudi visa from India](#) through us!

1. Pre-requisites to Apply for Saudi Visa

The requirements are as follows:-

1. Photocopy of the first and the last pages of the passport, holding six months validity from the journey date.
2. Front-facing passport-size photograph of the applicant against a white background.
3. Compulsory Travel Insurance
4. Round trip reservation or flight itinerary.
5. Proof of accommodation.
6. A bank statement for the last six months
7. Occupation proof.
8. Covid vaccination certificate.
9. Business invitation letter (if any)

Things to Know Before You Get a Saudi visa from India

There are specific points to keep in my mind while visiting Saudi Arabia:-

1. If you're carrying medications, keep a prescription with you.
2. Alcohol consumption is prohibited in the land.
3. The custom officials may screen your electronic devices.
4. Photographing government buildings or palaces is not allowed.
5. Holding two passports is strictly forbidden.
6. Punishment for smuggling drugs includes the death penalty.

Thus, you can have a hassle-free stay in the country by keeping these points in mind.
