In this article, we will take a closer look at [gigi hadid net worth](#) and how she has managed to accumulate such an impressive sum of money.

## Early Life

On April 23, 1995, Gigi Hadid was born in California. She was raised in a wealthy family, with her father, Mohamed Hadid, being a real estate developer and her mother, Yolanda Hadid, being a former model and reality television star. Gigi has two younger siblings, Bella and Anwar, both of whom are models. Gigi attended Malibu High School, where she was an avid athlete and played volleyball and horseback riding. Keep reading to learn about gigi hadid net worth and her career.

## Career

Gigi Hadid's modeling career started when she was just two years old. She appeared in various advertisements for Baby Guess and continued to work with the brand until she was 10. However, she took a break from modeling to focus on her education and returned to the industry when she was 17.

She made her New York Fashion Week debut in February of that year and has been unstoppable ever since. Gigi has walked the runway for some of the biggest names in the

fashion industry, including Chanel, Versace, and Victoria's Secret. One of the main reasons behind the huge Gigi Hadid net worth is her amazing career.

In addition to her runway work, Gigi has also appeared in numerous high-profile campaigns for brands such as Maybelline, BMW, and Tommy Hilfger. Her collaborations with these brands have been incredibly successful, and they have helped to solidify her status as one of the most sought-after models in the world.

## **Net Worth**

According to many reports, Gigi Hadid net worth is estimated to be around \$40 million. This is a massive amount of money, especially considering the fact that she is only 26 years old. The majority of her wealth has come from her successful modeling career, but she has also earned money from endorsements and sponsorships.

Gigi's earnings from modeling are impressive, with some sources estimating that she makes around \$9-10 million per year. This includes earnings from runway shows, campaigns, and photo shoots. She has also earned money from her collaborations with brands such as Maybelline and Tommy Hilfger, which have been incredibly successful.

In addition to her earnings from modeling and endorsements, Gigi has also earned money from her appearances on television. She has appeared on several episodes of *The Real Housewives of Beverly Hills*, which stars her mother, Yolanda Hadid. Gigi has also co-hosted the American Music Awards and has appeared as a guest judge on *RuPaul's Drag Race*.

Her investments in different properties are likely to have increased Gigi Hadid net worth. In 2019, she and her sister Bella purchased a luxury penthouse in New York City for \$19 million. Gigi also owns a luxury apartment in New York's SoHo neighborhood, which she purchased for \$4 million in 2016.

## **End Note**

Gigi Hadid has managed to build an impressive career in the fashion industry and has become one of the most recognizable models in the world. She has worked with some of the biggest brands and has walked the runway for some of the most prestigious fashion houses. Her success has helped to build a significant Gigi Hadid net worth and has also given her a massive following of fans and followers.
