So, what do we know about this notable celeb manager and her unfortunate death? This digital write-up will give you a glimpse of the same, along with a peek-a-boo at her personal and professional lives. Stay tuned –

Why are Angela Kukowski photos going viral?

Angela 'Angie' Kukowski, as the majority of the Hollywood entertainment industry knew her, was reported missing on the 22nd of December, 2021. In the wee hours of December 23rd morning, a car parked in Simi Valley (north of Los Angeles) was discovered by locals had the body of a deceased person. As soon as she was found to be a lady in her fifties, local police were alerted and they discovered the body to be of Angela Kukowski, the famous Hollywood manager.

When the body was sent for post-mortem, the Ventura County Medical Examiners stated that - Angela was strangled to death. Additionally, there was a head injury, implying she was hit on the head several times by a heavy object. Jason Barker, her boyfriend, was reportedly the prime suspect, and police released his photos for search purposes. As soon as the news broke, netizens dug out Angela Kukowski photos with Kardashians and other celebs and released them online.

Who is Jason Barker - the prime suspect?

Though the case is sub-judice, from the information received, one may state - Jason Barker, Kukowski's 49-year-old boyfriend, was the prime suspect. According to the police's version - apparently, this looks like a crime of passion, though they have not ruled out the financial angle. As of now, they have revealed that Barker supposedly killed her in Angela's Sherman Oaks residence and drove with the body to Simi Valley in order to dispose of it.

In the days following her death, police released Barker's photos as the prime suspect, and more of Angela Kukowski photos kept emerging online. Barker

has been arrested, charged on accounts of murder and torture, and now is stationed at the Van Nuys Jail in Los Angeles on a \$2 million bond.

Not much is known about the romantic relationship the mother of five shared with Jason Barker since Kukowski was a very private woman. However, the LA police department is looking at multiple possibilities.

How did she shine in the celebrity league?

Alternatively known as Angela Castro, Kukowski was a reputed and astute business manager who has worked with the likes of Kanye West, Kardashian sisters, Nicki Minaj, and most recently, at the estate of Tupac Shakur.

For the unversed, she started working from her high school days; her initial job was with Universal Recording Studio. She then went on to initiate her own entrepreneurial venture Avenue Entertainment Group. West also appointed her as the manager of Yeezy. She then climbed the ranks of Hollywood and is currently associated with Boulevard Management.

Remembering her with a heavy heart

With Angela Kukowski photos going viral online, people who were unaware of her existence are now paying tribute to her and remembering her with a heavy heart. Everyone wishes that if Jason Barker is actually the killer (the case is sub-judice, and Barker is the prime suspect), he must be sent to the gallows.
